HIGH

DAY 1 - MATSUMAE CASTLE

Matsumae castle is located at the southern point of hokkaido. It is a former castle known as the fukushima castle known to be the only castle built in hokkaido. It was built in 1606 but then it was demolished and destroyed in the 1800-1900's. They've replicate and rebuild the castle in 1960.

Take Hakodate Bus bound for Matsumae from JR Kikonai station and get off at Matsujo bus stop (1.5 hrs). The park is a 7 minute walk from the bus stop.

Kikonai station is served by the JR Hokkaido Shinkansen & South Hokkaido Railway.

DAY 2 - HAKODATE

Hakodate is located in one of the northern big cities of hokkaido. It is very well known for its western buildings, gourmet fresh seafood, and many more. During the spring time in April it is well known for the sakura trees to bloom in this city.

DAY 3 - LAKE TOYA

Lake Toya is located in shikotsu toya nation park in southern part of hokkaido. To get there, you need to take 1.5 hour by car from new chitose airport or arrive from sapporo and travel to toya for 2 hours. In Toya Station, take the Donan Bus to Toyako Onsen it only takes about 20 minutes. It is one of the best views that hokkaido offers.

DAY 4 - NOBORIBETSU ONSEN

Norboribetsu onsen is one of the best onsen in hokkaido. To get there, take the express bus from jr sapporo station for about 1hour and take chitose airport for another hour and it will take you directly to noboribetsu onsen.

DAY 5 - LAKE SHIKOTSU

Lake shikou is located at chitose hokkaido. It is a caldera lake very well known for its beautiful water and landscapes in japan.

DAY 6 - OTARU

Otaru is located in northwest small harbour city in sapporo. It once use to be a fishing port for trades in the late 1800's. It is one of the best cities to travel and have a good experience. During february they hold a light festivals and decorate the city with lanterns, and small snow statues. They are lit up every 5-9pm.

To get to Otaru, take Sapporo Station and then take JR Express Airport to Otaru Station for about 30 min.

DAY 7 - FURANO

Furano is located in the center of hokkaido. It is one of the most famous tourist destinations to experience the breathtaking landscapes. During april - october, head over to Shikisai-no-oka hills and there you'll expect to see hectares of multicolored flowers and lavenders.
